## Faith Formation Program

### 2010-2011

Dear St. Joan of Arc Families,

Our children and youth programming at St. Joan of Arc parish encourages all participants to grow in faith and understanding of God and the world around them.

We depend on a solid commitment from volunteers and parents in order to provide quality programming for our children and youth. Your commitment as a family to attend regularly will help build your children's sense of community here at St. Joan of Arc and everyone involved benefits from the experience. We make a commitment to you by providing solid programming and consistent leadership; we ask that you please make a commitment to be with us.

This year we are asking parents to contribute toward the cost of materials through a one-time registration fee. We are charging \$25/child with a cap of \$75/family. As a way of recognizing the contributions of teachers/aides/facilitators, there will be no charge for their families. Scholarships are available for those families for whom costs would be prohibitive.

Thank you and we are looking forward to your involvement in our faith formation programs.

Sincerely,

SJA Faith Formation Team
